

MUNICIPAL BUILDING COMMITTEE
SEPTEMBER 21, 2016
MINUTES

Present: Peter Neff, Dennis Donovan and Miner Vincent

Absent: Joe Defilippo, Mike Koziy, David Townsend and John Giannotti

Also Present: Jane Scully Welch and Julie Mendez

There was no quorum present at the meeting. P. Neff gave a brief update on some of the projects.

School Maintenance Facility

- The school maintenance building is 99.9 percent complete.
- The CO was approved today.
- The data and phones are ready to go.
- The move in date is scheduled for Monday.

Steel Building

- Slab is complete
- Steel building is expected to be delivered on Monday. It should be done by the end of the week.
- Acorn Electric is doing the electrical work
- Elm City Door will set up the automatic garage door

North End Police Department

- Some demolition work has been done to the building
- Acorn Electric is doing some electrical work

STEAP Grant (Peter's Complex)

A letter signed by the First Selectman needs to be sent to the state with a list of recommended priorities of the project within the parameters of the grant.

The committee then went on a tour of the new school maintenance facility. The meeting adjourned at 6:35 PM.

Respectfully Submitted,

Mary Schettino
