

Bicycle and Pedestrian Alliance of Clinton
On The Future Clinton Greenway Trail
February 27, 2019
Minutes

Members Present: Carrie Allen, Mark Koschwitz, Paul Egan, Maureen Noonan

Special meeting insofar as we met to tour and study the future Clinton Greenway for purposes of safety and physical trail oversight at 5 p.m.

Minutes Approved Minutes from the January BPAC meeting were approved following a motion by Mark, seconded by Paul and unanimously agreed upon.

Clinton Greenway Though the members present traveled the entire planned Phase One of the greenway, special attention and time was spent on the section behind Town Hall where it was determined that the planned trail on the sidewalk was not as safe as previously thought. Discussion and ideas ensued. It was agreed upon that Carrie would contact the Chief of Police in order to resolve the perceived problem.

Motion to adjourn

Maureen motioned to adjourn, seconded by Mark and all agreed.
