## **Zoning Enforcement Officer Report**

**Eric Knapp, ZEO**

**August 7, 2015**

### **Legal Actions:**

22 High Street: Unsafe property and structure. Blight Order issued. Legal Counsel or Town is attempting to remedy the issue. Court granted motion for default for failure to plead on October 23, 2012. Court Order dated December 17, 2012 – compliance by January 31, 2013. Town to begin cleaning up property as of February 4, 2013. Town is scheduled to begin demolition on September 12, 2013. Notice to owner sent 9/5/2013. Town cleaned up exterior of the property and removed decayed fencing, debris and dangerous trees. Working with bank for further cleanup. Town is working owner's family members for a solution. Work has begun on the structures located on the property, including reroofing, new windows and yard work.

66 River Road: Conducting a recycling facility for composting, mulch manufacturing, importing raw materials for reduction to a marketable item (top soil, fire wood, compost); the keeping of livestock without a permit and operating a far without a permit; failure to keep livestock in an enclosure that meets the required setbacks for the front and side yards. Lawsuit continues. Order to Discontinue re: Storage Trailers: 7/24/2014; owner has now appealed new and 2012 C&D orders to ZBA. Hearing is scheduled for 9-17-14. Owner believes Channel 8 report vindicated his position and is waiting for town to admit it is wrong and withdraw all actions against him. Based on the fundamental disconnect in understanding, all we can do is continue with the existing enforcement action. Attorney Rutkowska amended the complaint to include the new violation and to list the new ZEO as plaintiff. Mr. Cashman has filed a civil rights complaint against the Town of Clinton and Thomas Lane. We have met with insurance counsel about the best manner to dispose of the law suit. A tentative settlement fell through and we anticipate the matter being tried to conclusion. The trial was held and closed on April 28, 2015. **The decision came out July 30, 2015. The court issued an injunction again Mr. Cashman ordering him to completely remove all non-permitted structures and uses. It also ordered monetary penalties of \$20,860, with additional penalty of \$150/day for each day beyond September 15, 2015 if the injunction is violated. We are awaiting word on Mr. Cashman's intentions.**
