The Honorable Bruce N. Farmer
First Selectman
Town of Clinton
54 East Main Street
Clinton, Connecticut 06413-0174

Dear First Selectman Farmer:

Subject: Federal Local Bridge Program, Fiscal Year 2017
Commitment to Fund
Kelseytown Road over Menunketesuck River, Bridge No. 04119
Town of Clinton
Federal Funds: \$2,433,243.20

The Department of Transportation (Department) has reviewed the Preliminary Application (enclosed) for the replacement or rehabilitation of the bridge at the subject location. The Department is pleased to inform you that the project qualifies for funding under the Federal Local Bridge Program.

The State of Connecticut (State) hereby commits to fund up to 80 percent of the eligible project costs under the Federal Off-System Bridge Program. This commitment is subject to the program regulations, in particular as follows:

1. The amount is based upon the information in your Preliminary Application and is subject to later adjustments.
2. This Commitment to Fund will lapse if your final cost estimate exceeds your Preliminary Application and sufficient monies are not available.
3. The Commitment to Fund does not constitute a binding agreement, and the State's obligation is contingent upon your execution and delivery of a Project Agreement, and your compliance with its terms.

The next step in the grant process, if this Commitment to Fund is acceptable to you, is to sign below and return a copy of this letter within 30 days. A Department representative will contact you to schedule a concept meeting to review the program's procedural requirements.

In order that the project's costs may be accurately tracked, it is recommended that you set up a separate budget line item for this project and make your auditor aware of the project. Also, the Department now relies heavily on electronic communications, please ensure that we have an up-to-date e-mail address for your designated contact person at all times.

If you have any questions, or need any assistance, please contact Mr. Gustavo M. Melo, Project Engineer for the Federal Local Bridge Program, at (860) 594-2888.

Very truly yours,

Theodore H. Nezames, P.E.
Manager of Bridges
Bureau of Engineering and Construction
