**Zoning Enforcement Officer Report**  
**Eric Knapp, ZEO**  
**June 9, 2017**

**Legal Actions:**

66 River Road: The court issued an injunction again Mr. Cashman ordering him to completely remove all non-permitted structures and uses. It also ordered monetary penalties of \$20,860, with additional penalty of \$150/day for each day beyond September 15, 2015 if the injunction is violated. Mr. Cashman has filed his appeal with the Appellate Court, and has now filed his appellate brief. Our appellate brief has now been filed. Oral arguments will be scheduled for Fall.

14 Old Road: This matter has now settled, with the entry of a stipulation before the court requiring Ms. Fritz to seek all required approvals for the accessory apartment. In return, I agreed to seek no penalties if the property were vacated by May 15. Should the property be reoccupied without permits having been obtained, Ms. Fritz will be subject to \$150/day penalties. Ms. Fritz has withdrawn her variance application, in the face of opposition. Because necessary approvals were not obtained, there can be no accessory apartment at this location.
