Land Use Applications

§ 296-2. Authorization and purpose.

Pursuant to the provisions of CGS §8-1c, the Town of Clinton does hereby establish a schedule of reasonable fees for the purpose of funding the approximate actual municipal administrative cost of reviewing, evaluating and processing of applications by the Town of Clinton land use regulatory commissions.

§ 296-3. Definitions.

For the purpose of this article the following definitions apply:

LAND USE APPLICATION – Any application to a land use regulatory commission within its statutory jurisdiction, which is herein referred to as “application”.

LAND USE REGULATORY COMMISSION – The Clinton Planning and Zoning Commission, The Clinton Zoning Board of Appeals and the Clinton Inland Wetlands and Conservation Commission, which are herein referred to individually as “commission”.

REVIEW, EVALUATION AND PROCESSING – All functions performed in connection with or associated with a land use application by a land use regulatory commission, including but not limited to fees and expenses relating to the administrative handling of the application and consultant expenses in direct connection with the technical review of the application including both preapproved and post-approval costs associated with the application, such as engineering review of construction plans and inspections of improvements during construction to assure compliance.

§296-5. Consultant expenses.

- A. Prior to or contemporaneous with the filing of an applicant, the applicant shall advise the commission in writing as to the professional evidence by way of testimony or certification that it intends to submit as part of or in support of said application. Such written statement shall include the specific areas of expertise (e.g. traffic and hydrology) in which the commission may require the technical assistance of consultants.
 - B. A commission may charge fees in addition to the base fees set forth above set forth in order to obtain additional technical assistance in reviewing and evaluating an application where the commission determines, based upon information provided or required to be provided by the applicant, that the nature, size or intensity of the land use application shall require services of consultants not provided for within the fees set forth in §296-4.
-

- C. The commission shall determine the amount of the fee in addition to the base fee required for the review, evaluation and processing of the subject application at the same rate that they are charged.
- D. An applicant may provide the written statement required under Subsection A and request a determination by the commission as to whether additional technical assistance will be required and the amount of the additional fee prior to submission of the application. Payment of the additional fee shall be made upon submission of the application or within 30 days of the determination of the required additional fee by the Commission, whichever shall later occur.
- E. Failure to provide the statement required under Subsection A or to pay the additional fee required hereunder may render the application incomplete under the commission regulations.

§ 296-6. Duplication of review.

In making a determination as to whether additional technical assistance will be required, each commission shall give due consideration to and shall use to the extent feasible the technical assistance that may have been engaged by another commission in reviewing the same application so as to eliminate duplication of consultant review fees.

§ 296-7. Determination that fees are not required.

A commission may by resolution determine that base fees, or portions thereof, are not required in particular cases of resubmission of a disapproval application or an application to revise an approved application or in cases where the application changes are minor. Boards, commissions and departments of the Town of Clinton are exempt from fee requirements.
