

Bike and Pedestrian Alliance Minutes

Wednesday, February 23rd

Rose Room in Town Hall

6 p.m.

In attendance: Maureen Noonan, Brien Roscetti, Carrie Allen

Absent: Mark Koschwitz

On Hiatus: Paul Egan

January 2022 Minutes discussed

Reviewed the 2022 Goals for BPAC with new member Brien Roscetti

1 Beach adjoining property for which Clinton was awarded a 7K grant to be discussed once again with owner

2 Address DOT about Route 1 safety measures

3 Work with Shoreline Greenway toward a pedestrian/bike bridge over Hammonasset River

B. Discussion of possible ARPA Projects included:

- the signage and striping/sharrow stencil of all current and suggested bike routes in Clinton

- a kiosk at the new train station with directions and suggestions for visitors

We asked Brien to share ideas he would like to see BPAC realize, and those ideas focused on community activities (hikes, bike rides, outdoor games, kids' triathlons) which would bring families outdoors. A May bike ride was set in motion. Brien will meet us at the old Adventure Course behind Joel this Sunday to study that for future use.

Adjourned at 7:14 pm
