- Patrolling Report:

Patrolling was performed, no one was found clamming due to hightides, coldness and early darkness.  
Noted: In cold weather clams tend to dig deeper

- J. Vanderwerff was absent, so the status of Shellfish Handout is postponed until April 1, 2025 meeting

## **LEASING/COMMERCIAL**

- Nothing to report

## **REGULATORY AND COMPLIANCE**

- A.Walker reported: Recent water sampling tested all zeros, which is very unusual
- Discussion on Cedar Island septic systems. A Walker noted WPCC's perspective is all have their own septic systems which are pumped every 5 years, via a barge which takes the pump truck there.

## **OTHER**

- Discussion on beach signs is dependent on J. Vanderwerff's findings for marked locations.
- Shellfish boat to be put in marina / dock "D-16" early April depending on weather.
- W. Church attended the Gathering of Shellfish Commissions on 2/8/25 and gave up date of the event.
- W. Church noted: he spoke with West Marine and M. Corcoran is added to Shellfish account as of today, March 5, 2025.
- M. Corcoran made a motion, seconded by W. Kavanagh and unanimously approved setting a delegation to Madison Shellfish Commission to start communication and building a relationship with them.
- Currently the boat needs no maintenance, if anything would be minor items.

## **ADJOURN MEETING**

W. Kavanagh made a motion, seconded by J. Smith and unanimously approved to adjourn meeting at 8:25pm.
