

2021 6 23 BPAC Meeting Minutes

Town Beach Pavilion
6 p.m.

Attendance: Carrie Allen, Mark Koschwitz, Maureen Noonan
On Hiatus: Paul Egan
Meeting called to order at 6:08

Approval of May BPAC minutes

Mark made motion and Maureen seconded. All in favor

Old Business

Carrie wrote to Todd Hajek about striping Grove & Commerce Streets after their planned repaving and Todd explained that the necessary \$7500 is not within his budget at present, but that it would be possible to stripe.

EDC has an interest in some of BPAC's goals, namely implementing Clinton's Complete Streets Plan and our tourism plans with Shoreline Greenway towns - "Trains to Trails."

New Business

The Cleaning of the Trolley Line by local Scout Troop 59 and its possible adoption as a regular activity for them.

RiverCOG has asked Carrie to join their Bike/Ped Steering Committee, which she readily accepted. Their goal is to connect individual trails to form a statewide bike path.

An EDC/BPAC subcommittee met earlier in the month and outlined plans to pursue grants for our various shared interests, including complete streets.

BPAC will attend the next P & Z meeting to speak about the public path through "The Hammocks".

Adjourn

Maureen motioned to adjourn at 6:45, Mark seconded and all agreed.
