

Bike And Pedestrian Alliance Minutes
July 23, 2025
Henry Carter Hull Library
6:00 p.m.

In Attendance: Carrie Allen and Mark Koschwitz
Absent: Maureen Noonan

Discussed the new attention that bike and ped is receiving given the inclusion of the Blueway/Greenway in the PoCD as well as the town's adoption of Main Street CT priorities and the great promise of transit oriented development, given the placement of our train station. We reopened our interest in the idea of promoting day trips to Clinton on the Shoreline. From our train station we can bike quickly and safely to the town beach, various outdoor restaurants and kayak rentals. The trolley, which also accommodates bikes, can be used to return to the train station from Hammo.

Meeting ended at 7 p.m.
