

Bike And Pedestrian Alliance Minutes
July 26, 2013
Rose Room

In Attendance: Carrie Allen, Mark Koschwitz and Maureen Noonan

Minutes: Motion to accept the March 2023 minutes made by Mark Koschwitz, seconded by Maureen Noonan, and approved by all.

Discussion: Currently the three members have hit an impasse in their actions and it was suggested by Mark Koschwitz that they take a hiatus for the time being, and that new members will be sought in the interim, and the next meeting will be held in October of 2023.

They will reach out to Joan and free the Rose Room for other's use until October. The group hopes this is acceptable to the Town of Clinton.
