Town Hall Green Room**

Chairman C. Aniskovich called the workshop to order at 6:00 PM.

**FUND BALANCE MANAGEMENT**

K. Kilduff reviewed the draft policy and guidelines with the council.

- The council discussed having a reserve fund for capital, heart & hypertension and compensated absences payout. Additional council feedback is needed to determine what reserves the council would like to set up, specific guidelines and funding levels. Once the council agrees on what reserves to set up, the town manager will prepare a policy statement with the scope and purpose of the reserve that will need to be voted on during a regular council meeting.

The council will schedule another workshop to further the discussion on fund balance.

The workshop adjourned at 6:50 PM.

Respectfully submitted,

Mary Schettino  
Executive Assistant  
Town Manager
