

Bike And Pedestrian Alliance Minutes
August 27, 2025
Henry Carter Hull Library
6:00 p.m.

In Attendance: Carrie Allen, Mark Koschwitz and Maureen Noonan

Discussed the new attention that bike and ped is receiving given the inclusion of the Blueway/Greenway in the PoCD as well as the town's adoption of Main Street CT priorities and the great promise of transit oriented development. BPAC has a special interest in the development planned on the far west end which would enable people to bike and walk from the Hammonasset River to Grove Street without dealing with Route 1.

Meeting ended at 7 p.m.
