

Bike and Pedestrian Alliance Minutes

Wednesday, October 26th Town Hall
6 p.m.

In attendance: Carrie Allen and Mark Koschwitz

Guest: Kate Madura

Kate Madura who teaches at both Eliot and Joel Schools has an interest in getting kids out walking, hiking, and biking more often. She wants BPAC to revive the Walk-To-School event as a kick-off in the spring for monthly activities for our public school students. BPAC is fully on board but understands that most of the responsibility will rest on the school, insofar as getting the word out and finding appropriate numbers of volunteers for these activities. This conversation will continue.

Mark and Carrie spoke about the loss of the recent Chair and the need to finally advance the conversation with the Town Manager regarding striping roads with money from either BPAC or ARPA or both.

The meeting was adjourned at 6:59 pm
