**TOWN OF CLINTON
INFORMATION TO BIDDERS**

SEALED BIDS will be received at the Office of the Town Manager, Andrews Memorial Town Hall, 54 E. Main Street, Clinton, Conn. 06413 until 11:00 AM, **Thursday, May 4th, 2023**, at which time they will be opened and read aloud for:

2023 Road Paving program

Bids received after the above stated time will be rejected. Bid Documents are available for download on the Town of Clinton website at www.clintonct.org.

Certificates of Insurance in a form acceptable to Town Counsel, will be submitted by the successful bidder upon written or verbal notification that the proposal has been accepted. Required insurance must be maintained for the duration of the contract.

Terms of payment, except when specified in the proposal, will be net 45 days after receipt of approved invoice. The Town of Clinton is exempt from taxes imposed by the Federal and State Governments including the Federal Transportation Tax. Such taxes should not be included in your proposal. Where applicable, freight charges, setup charges and any other charges are to be included in the total price to the Town.

Equipment supplied and work performance must be in conformance with all OSHA regulations and all vehicles must meet Federal and State Department of Transportation rules and regulations governing their use in Connecticut. All equipment will be maintained in a safe clean working condition as intended by the manufacturer. Violation of this provision may result in immediate termination of contract.

When applicable, the Contractor assumes responsibility to conform to all local ordinances and to obtain all necessary permits before start of work. Certificates of Insurance shall include the Town of Clinton as an additional insured for the life of the Contract.

Pursuant to Section 10-6 of the Town of Clinton Charter, the Town Manager may reject any and all bids, or waive informalities and technicalities. Bids received after the above stated time will be rejected. No bid shall be accepted from or contract awarded to any person who is in arrears to the Town of Clinton on any tax, debt, or contract.

GENERAL INFORMATION TO ALL RESPONDENTS

The first page of each BID must be clearly labeled with the proposer's name, the name of a contact person within the proposer's organization, and the proposer's mailing address, telephone number, fax number, webpage address and email address.

To be considered, a vendor must submit a complete BID that satisfies all requirements and addresses all information requested or specified in this BID.

The Town reserves the right to amend or withdraw this BID at any time prior to the deadline date for submission of proposals. If this BID is amended, the Town will notify each REGISTERED proposer in writing, via email.

When quantities are listed in these specifications they may be increased or decreased by the Town of Clinton, depending upon its actual requirements.

The Town of Clinton is an equal opportunity employer and we advise you of our intent to negotiate business only with other equal opportunity employers. All Contractors and subcontractors with whom we contract are obligated to provide equal opportunity without regard to race, creed, color, national origin, age, sex or handicap.

Bids must be submitted on proposal forms attached hereto. Bids received later than the time and date specified will not be considered.

No bid shall be accepted from, or contract awarded to any person who is in arrears to the Town of Clinton on any tax, debt, or contract.

All questions are to be submitted by email. Only questions submitted in this manner will be answered. All bidders will receive copies of questions and answers upon request.

All bid prices must include prepaid delivery, assembly and/or installation (ready for operation and/ or use) of all equipment and/or materials to the individual location(s) as designated by the Town of Clinton. All bid prices are to be submitted on the sheets provided on this bid. Quantities and pricing are to be listed in accordance with these sheets.

Bidders offering(s) under this bid must meet and be in compliance with all local, state and federal specifications, regulations and requirements pertaining to the work, materials, equipment or items requested in the bid.

The successful bidder, vendor and/or contractor must protect all property of the Town of Clinton, (i.e., all floors, furniture, grass, land, etc.) from injury or other damage. Any damage so caused must be repaired by contractor/vendor at his/her own expense.

At the completion of the work the vendor and/or contractor must remove from the premises all surplus materials and all debris created by him. He must leave the premises in a clean and

finished condition acceptable to the owner or its agents. It is the responsibility of the VENDOR to document before and after conditions.

Default - It shall be understood that a bidder supplying equipment and/or supplies will be considered to be in default if/when he/she has not delivered the item(s) within the time constraints listed in this document. Bidders providing a service and/or construction will be considered to be in default if/when they have failed to meet the completion date set forth in this document and/or they have ceased work on the project for a period of fifteen (15) working days cumulative or consecutive.

Samples that are forwarded by the bidder will be returned to the bidder at his request and at his expense. Samples not returned to the bidder will be disposed of at the discretion of the Town of Clinton or its designated representative. Large pieces of equipment submitted for evaluation and inspection are to be picked up by the bidder within thirty (30) days of bid opening date. Items not picked up within thirty (30) days of bid opening will be disposed of by the Town Clinton.

Any and all references to trade names, types, styles, models or catalogs are intended to be descriptive only and not restrictive. The intention is to indicate to bidders the type and quality of the articles and/or materials that will be satisfactory. Bids received on other makes or models with reference to other catalogs will be considered. The bidder is to clearly state in his bid exactly what he intends to furnish, and to furnish with his bid a cut or illustration or other descriptive matter that will clearly indicate and give specification as to the product he proposes to furnish. Where a bid is offered on an item other than the trade standard used in the specification the item should be identified on the bid form by entering the MAKE, TRADE NAME AND MODEL NUMBER. It is understood that any substitutes that might be offered are guaranteed by the bidder to be of equal or better quality than is requested in the bid. The item(s) offered must be equivalent as to function, basic design, type and quality of material, method of construction and any required dimensions. It shall be further understood that during original as well as subsequent shipments spot checks will be performed to insure that the items received are in fact the items offered in the bid. WHEN RECEIVED, SHOULD ITEMS/MATERIALS PROVE TO BE DIFFERENT IN ANY WAY, THE BIDDER AGREES TO THE RETURN OF THE ITEMS AND AGREES TO SUPPLY THE CORRECT ITEMS (PER BID SPECIFICATIONS) AT THE BIDDER'S EXPENSE.

Bidders are cautioned that surplus, seconds, factory rejects, close-outs or distressed items are not acceptable and shipment of substitutions, defective or shop-worn equipment will be returned for a full refund at the vendor's expense.

The quantities and/or material listed in the specifications may be increased or decreased by the Town of Clinton or its designated representative based on actual need at the time the orders are placed.

The Town of Clinton or its designated representative reserves the right to reject any proposal in whole or part offering equipment and/or materials and/or services that in his/her opinion does not meet the quality standards desired. Such decision will be considered final and not subject to further recourse by the bidder.

The Town of Clinton or its designated agent reserves the right to award or reject by item, or part thereof, groups of items, or parts thereof, or all items of the bid and to award contracts to one or more bidders submitting identical proposals as to price, to reject any and all bids in whole or in part, to waive technical defects, irregularities and omissions if, in his/her judgment the best interest of the town will be served.

The Town of Clinton specifically reserves the right to reject any and all bids until a purchase order and/or contract has been awarded, no bidder can claim any contract rights by virtue of bidding alone. Awarding of the contract means actual written notice by letter and a properly executed purchase order to the bidder or bidders that the contract has been awarded.

It is the intent to award this bid by line item; however the Town of Clinton reserves the right to award the bid in total if it is deemed by the Town of Clinton that the award in total would be in the best interest of the Town. In addition, bidders should be advised that should budgetary constraints dictate, part and/or all the items listed in this bid may be rejected. This decision(s) shall be considered final and not subject to recourse by the bidder.

**WHERE A BID BOND IS REQUIRED, IT IS TO BE SUBMITTED WITH THE BID
AT THE TIME OF SUBMISSION. (See page 15)**

Bid Bond - shall be in the amount equivalent to ten percent (10%) of the contract made out in favor of the Town of Clinton and issued by a surety company acceptable to and approved by the Town of Clinton.

**WHERE A PERFORMANCE BOND IS REQUIRED, IT IS TO BE SUBMITTED AFTER AWARD OF BID
AND PRIOR TO CONTRACT EXECUTION. (See page 15)**

Performance Bond - the bidder whose proposal shall be accepted shall file a performance bond and execute said contract within fifteen (15) days from the date of notification of such award. The bond furnished must be in favor of the Town of Clinton and executed by a surety company authorized to transact business in the State of Connecticut and acceptable and approved by the Town of Clinton. It shall be for not less than one hundred percent (100%) of the total contract price but in no case less than one thousand dollars (\$1,000).

**WHERE A PAYMENT BOND IS REQUIRED, IT IS TO BE SUBMITTED AFTER AWARD OF BID AND
PRIOR TO CONTRACT EXECUTION. (See page 15)**

Payment Bond - if requested by the Town of Clinton, bidder whose proposal shall be accepted shall file a payment bond and execute said contract within fifteen (15) days from the date of notification of such award. The bond furnished must be in favor of the Town of Clinton and executed by a surety company authorized to transact business in the State of Connecticut and acceptable and approved by the Town of Clinton. It shall be for not less than one hundred percent (100%) of the total contract price but in no case less than one thousand dollars (\$1,000).

The Town of Clinton reserves the right to require successful bidder(s) to enter into such security arrangements as are deemed necessary to protect the Town of Clinton property and goods.

Facsimile Transmissions - Submission of this bid or any portion of this bid and/or any documents relating to the bid by means of Facsimile Transmission (fax machine) is unacceptable and will not be considered in the bid process.

The bidder agrees to obtain all work/building permit(s) as might be required. The cost of obtaining said permit(s) shall be included in the bid price(s). In addition, it shall be understood where property lines are to be considered, bidders are to verify said lines/measurements with proper Town Officials prior to commencement of work.

In connection with the execution of this bid, subsequent purchase orders and/or contracts, the seller shall not discriminate against any employee or applicant for employment because of age, race, religion, color, sex or national origin.

The successful bidder shall not employ any subcontractor to fulfill any of the duties as herein specified without express, prior written approval of the Town of Clinton or its designated representative.

Material Safety Data Sheet (MSDS) - the successful bidder must warrant that any chemicals supplied hereunder will contain appropriate warning labels, cautioning instructions and notices. In addition, any chemical products supplied in bulk and/or used in the execution of this bid and/or its content, bidder agrees to furnish as directed, sufficient copies of the products MSDS and a supply of labels and cautionary instruction notices to be used in the plant(s).

The successful bidder must warrant that he has supplied all appropriate information that he is aware of concerning any potential hazards involved in the use, handling, transportation, labeling, storage or disposal of any/all chemicals and/or materials supplied and/or used in the execution of this bid and/or its contents.

The successful bidder must warrant that he has supplied any data on the possible toxic or harmful effect the chemicals provided and/or used may have and the precautions the Town of Clinton should take to eliminate or minimize those risks.

When the State of Connecticut Prevailing Wage Rate is applicable to the bid, it is to be known by the prospective bidders that a Certified Payroll Record must be forwarded prior to any request and/ or invoice for payment(s).

Machines and/or Equipment (lockout/tag out) - In an effort to comply with OSHA's final rule on control of hazardous energy sources, vendors must warrant that any and all machines and/or equipment as is covered under this bid will be supplied and/or installed equipped with lockout/tag out devices as prescribed by OSHA.

All energy isolating devices must be designed to accept a lockout device, as required by OSHA lockout/tag out requirements, 29 C.F.R. 1910.147(C)(2)(iii). 54 Fed. Reg. 36681, 36688 (September 1, 1989). For this purpose, an "energy isolating device" is a mechanical device that physically prevents the transmission or release of energy (such as a valve), and "lockout device" is a device that uses a positive means, such as a lock, to hold an energy isolating device in the safe position and prevent the energizing of a machine or equipment.

The successful bidder shall agree that any award resulting from this bid will be extended to any/ all departments and agencies of the Town of Clinton and that the successful vendor shall invoice said Town agency and/or department separately.

The terms and contents of these general bid terms and conditions are made a part of this bid.

GENERAL SCOPE OF WORK:

1. Establishment of Grades:

- When necessary grades shall be (will be) established by the Contractor and the grade take into account for proper water runoff as to not effect adjacent property owners and to avoid puddling. Large puddles may require action by vendor to correct.

2. Preparation of Subgrade:

- All-debris, vegetation, or other perishable materials shall be removed from the job site, except for trees or shrubs designated for preservation.
- The site to be paved shall be graded to the required section and all excess material removed from the location of the work.
- Material in soft spots shall be removed to the depth required to provide a firm foundation and shall be replaced with a material equal to, or better than, the best subgrade material on the site.
- The entire subgrade area shall be thoroughly compacted.
- The surface of the subgrade after compaction shall be hard, uniform, smooth and true to grade and cross-section.

3. Thickness of Structure:

- On the prepared subgrade a plant-mixed asphalt base shall be laid in 2 course(s) to a compacted thickness of 1.5 inches of class1 (binder) and 1.5 inches of Class 2 (top coat) Placing of the plant mixed asphalt surface course shall follow and be laid in a single course to a compacted thickness as specified in the bid.
- **Tack coat will be applied to the edges of all joints and areas to be over laid prior to pavement installation.**
- **Once the binder is in place, the Top Coat must be applied with-in three days (72 hrs) or tack coat will be applied to binder surface prior to installation of Top Coat.**

4. Smoothness:

- Generally, the surface of the completed work, when tested with a 3m (10-foot) straightedge, shall not contain irregularities in excess of 6mm (1/4 inch).

5. Dust and Material Control:

- When the contractor is performing construction, or where equipment is driven to access the work area. Dust generated by the construction activity shall not impact the health or safety of personnel on or nearby the project site. Dust shall not impede the visibility of traffic or pedestrians around the project site.
- All trucks transporting material while working for the Town of Clinton shall have their loads covered during transit and until they unload at their destination.
- Dust control shall be maintained throughout the duration of the project, including weekends, and other off-work hours as necessary.
- It is the contractor's responsibility to maintain dust control. The Town may stop a project until dust and debris have been properly controlled.
- Existing paved roadways, driveways, and any other paved/concrete areas must be washed or swept free of dirt and debris daily, or more often as necessary. The Town of Clinton may stop a project until dust and debris have been properly controlled, or until truck loads are properly covered.

6. Joint Specification:

- To ensure a continuous bond between the courses and to obtain the required density. All joints shall have the same texture and smoothness as other sections of the mat and shall meet the requirements for smoothness and grade.
- The roller shall not pass over the unprotected end of the freshly laid mixture except when necessary to form a transverse joint. When necessary to form a transverse joint, it shall be made by means of placing a bulkhead or by tapering the course.
- The free edge of the paved pass shall be laid as straight as possible and to the satisfaction of the Town. This joint shall be spray tack coated prior to placement of adjacent paving.
- When matching existing paved areas, existing pavement will be saw cut to provide a straight clean face. **Tack oil will be applied to the face of the existing area prior to placement of adjacent pavement.**
- In cases where a lap joint is required or requested, the existing pavement will be milled to a minimum depth of 1.5 inches (3.5cm) and a minimum width of 18 inches (45cm). **Tack oil will be applied to the full milled area prior to installation of asphalt.**

7. Traffic Control Plan (when required):

- Traffic control shall be provided at all work sites in order to prevent the disruption of traffic during the paving project.
- Traffic control may consist of certified flagmen, police department personnel or when need road closure with DETOUR signs.
- Contractors are REQUIRED to include a traffic control plan and all costs for traffic control in their proposal to the Town.

- The Town at its discretion may provide the necessary traffic control when time and personnel permit.
- Flaggers shall use standard hand held "Stop" and "Slow" paddles (not hand held flags). Flaggers shall be equipped with radio communication when not in full view of each other.
- It is the contractor's responsibility to have properly trained flaggers.

8. Equipment and Labor:

- The contractor shall provide the necessary equipment, materials, and labor to complete the job acceptable to the owner. Variations in the size and amount of equipment will depend on the size of the area being paved. Mobilization costs shall be included in material pricing.

9. Materials:

- All materials will be provided by successful bidder

10. Coordination of work:

- Contractor shall be responsible for coordinating all work to be performed under this project with the Department of Public Works, 117 Nod Road, Clinton CT. 06413 860-664-1100

11. Safety:

- The Contractor agrees to adhere to and enforce all applicable local, state, federal, and OSHA safety regulations.
- Contractor shall provide safety barriers, as required, to clearly identify the working area and to prevent others from accessing the work area.
- This safety zone shall be sufficiently sized to prevent damage to others or existing facilities and structures.
- Upon completion of the work, Contractor shall remove the safety barriers from the work area.

12. Basis of payment:

- Basis of Payment: Payment will be in full compensation for, hauling, and placing materials, for rolling, and for all labor and use of equipment, tools, and incidents necessary to complete the work in accordance with these specifications.
- No payment shall be made without receiving all documentation for materials received and used during the project. Such documents include but are not limited to weigh slips from all suppliers indicating the date, job location, and the time materials were delivered/picked up on the day of the work.

13. Guarantee:

- The contractor shall guarantee in writing the workmanship and materials of the completed pavement for a period of (1) one year unless this requirement is waived in writing by the Director of Public Works.
