

How to access Land Use, Building, Fire and/or Health records on a property

Go to the homepage of the Town website www.clintonct.org

In the upper right hand corner click on How Do I?

This is a drop down menu - go to the word **FIND**

Under **FIND** - click on Property Files

There are 2 ways to search documents.

1) **Docuphase/Treeno** system contains documents prior to June 2022.

Enter the name of street in the search bar- Use minimal letters. Don't add street or rd.

For ex: to find 158 East Main you would enter East Main, hit search and scroll down to 158.

If you see more than one listing for an address open them both/all.

The numbers at the bottom are more pages with addresses. After you have chosen an address, there may be several tabs at the top of the page and multiple pages at the bottom of the page.

The screenshot shows a web interface for searching documents. At the top, there is a search bar containing '54 East Main St' and two buttons: 'Search' and 'Clear'. Below the search bar, there are three tabs: 'Building', 'Historical Documents', and 'Legal'. A red box labeled 'TABS' with an arrow points to the 'Legal' tab. Below the tabs is a table with the following columns: 'File Name', 'Creator', 'Creation Date', and 'Size (KB)'. The table contains 10 rows of PDF files. At the bottom of the table, there is a pagination bar with a series of numbered buttons (1 through 10) and a '10 items per page' dropdown. A red box labeled 'PAGES' with an arrow points to the pagination bar. The text '1 - 10 of 2117 items' is visible at the bottom right of the pagination bar.
