Re: Planning & Zoning- AR & CAM application #19-006

Marcy, I just left the post office. I mailed the application Certified Mail, and then I realized, I did not include a cover letter.

This application will be officially received by the Planning & Zoning Commission on 11/18/2019. The Public Hearing will open on 12/2/2019.

Please let me know if you need any additional information.

Thank you very much,

Kathy
