Re: Proposed Zoning Regulation Text Amendments for Section 27 and new Section 15B, High/John Street Village District (HJS-VD)

Dear Commissioners:

Thank you for notifying this office of the proposed zoning regulation amendments noted above. Acting as the Commissioner's staff, our office has reviewed the amendments for consistency with the policies and standards of the Connecticut Coastal Management Act (CCMA), and we find them to be consistent with the CCMA.

Please be advised that this consistency determination is based on coastal management considerations only, and does not necessarily reflect other municipal planning and zoning considerations which may apply. These comments are made in response to the review requirement contained in Section 22a-104(e) of the Connecticut General Statutes, which requires that notification be sent to the Commissioner of Energy and Environmental Protection at least 35 days prior to the commencement of the public hearing. Once notified, our office is responsible for reviewing the proposal's consistency with the policies of Section 22a-92 and the criteria of Section 22a-102(b) of the CCMA.

Should you have any questions regarding this letter, please feel free to contact me at (860) 424-3779 or by email at [karen.michaels@ct.gov](mailto:karen.michaels@ct.gov).

Sincerely,

Karen A. Michaels
